INTOXILYZER® 9000

Maintenance, Repair and Instructor Course

Monday, November 6th – Tuesday, November 7th, 2023

\$595.00

CMI Inc. is offering the Basic Maintenance, Repair and Instructor Course for the **Intoxilyzer® 9000**. This 2 day course includes IR application, theory, operation, basic maintenance and calibration of both the optical bench and flow sensor as well as set up and troubleshooting. Classes begin at 9:00AM each day.

A certificate will be issued upon successful completion of the course. Students will leave CMI confident in the operation, instruction of operators, and basic maintenance of the **Intoxilyzer® 9000**.

Registration Fee includes: daily lunch and CMI shirt.
Student lodging and transportation expenses are not included.

For additional information contact CMI Customer Service at (866) 835-0690.

Please complete Registration Form on following page.

**A minimum number of students are required to conduct the course
Please notify us as soon as possible and confirm your attendance
You will be notified 30 days in advance if the class is cancelled**

Intoxilyzer® 9000 “Tech Training”

RESTRICTIONS APPLY

Only for students who will be repairing instruments at the component level.

This ½ day with a CMI Factory Service Technician provides an in-depth view of sub-assembly and component testing, troubleshooting techniques and recommended corrective actions. The student must have previous technical training (i.e. electrical/electronic schooling) to benefit from this training.

Contact CMI Customer Service for more information. Class begins at 9:00 AM on Wednesday. **Prior CMI approval is required for Tech Training.**

Space is limited and by RESERVATION ONLY

To reserve **Tech Training** please contact CMI Customer Service at (866) 835-0690.

Tech Training Wednesday, November 8th, 2023 (Starts at 9:00AM)

\$195.00

CMI, Inc., a subsidiary of MPD Inc., is a secured government facility. No firearms are permitted on the premises.
